# CONTEMPORARY STAIRS

innovative  
simple &  
ultra stylish

Our **Contemporary Collections** are a simply striking way to add style to a modern interior, or a bold design statement to a more traditional setting. With a mix of glass or acrylic panels, stylish metal spindles and a choice of timbers, matching your decor becomes easy.

## IMMIX<sup>®</sup>

Designed for a premium finish, Immix™ brings quality and innovative styling together. Using stunning White Oak handrails and sleek gun-metal connectors with light and space-enhancing glass panels, which bring a distinctive minimalist elegance to your home.

Priced from £1,075†

### NOT SURE WHERE TO START?

Choosing your overall look is the first step. Visit [richardburbidge.com](http://richardburbidge.com) and select from a wide choice of stylish wood types and design options using our FREE online design tool **STAIRPLANNER™**.

### SPEAK TO AN EXPERT

We're here to help every step of the way - simply call us on

**01691 678 232**

Main picture features: White Oak with glass infill.

† Suggested Selling Prices, based on a straight flight of 13 steps.

## FUSION® WALL-MOUNTED HANDRAILS

You can still have the FUSION® look if your staircase has walls rather than balustrade. Our Wall-Mounted Handrail Kits are ideal and contain everything you need, including brackets and end caps.

See **page 17** for more details.

# FUSION®

Innovative and unique - FUSION® makes it easier than ever to transform your stairs with a modern look. Ultra stylish fixings in a choice of Chrome or Brushed Nickel finishes connect everything together quickly and easily - making it an easy DIY project that can be done in a day or two. With a wide range of pre-finished timber options as well as a choice of infills, complementing your existing decor is easy.

Priced from £510†

**GLASS OR SPINDLES?**  

Visit our **INSPIRATION GALLERY** at [richardburbidge.com](http://richardburbidge.com) to help you decide. You'll find it useful for choosing the right wood type too.

**WE'RE HERE TO HELP**

# TRADEMARK

## MORE CHOICE, MORE POSSIBILITIES

Combining quality with lasting performance, stunning looks and an unbelievable range of options our Trademark Collection has something to suit every budget and taste. You can mix and match styles to create your ideal look whether traditional or modern. And, with a choice of quality timbers – from luxurious White Oak and Hemlock to

White Primed and Pine – you've even more choice. Trademark includes our recently introduced Taper Collection, which boasts a choice of three spindle designs – Valencia, Madrid (featured) or Granada. Taper is an easy-fit system with pre-drilled handrails and pre-cut spindles. Achieving a bespoke look is quick and affordable.

# MAKE IT PERSONAL. MAKE IT YOURS.

Creating your own personal style is easy with a choice of component styles and finishes, all beautifully crafted from quality materials and manufactured to the highest standards. A vast array of newel and spindle designs in a range of quality timbers along with a choice of contemporary glass and metal infill options give you even more exciting possibilities.

## IMMIX™

Quality and innovative styling for a premium finish.

## FUSION®

An innovative and easy way to transform your stairs with a modern look.

## ELEMENTS®

A modern approach to a classic staircase look.

## NEWELS & INFILL OPTIONS

White Oak newels with either matching spindles or go for glass panels to enhance the feeling of light and space in your stairway.

## NEWELS & INFILL OPTIONS

A range of newel options in White Oak and Pine – choose a complete square newel or a square base with round top and metal connector in your choice of finish. Choose glass or acrylic panels or spindles in either a Chrome or Brushed Nickel finish.

## RAILS, CAPS & FITTINGS

Handrails and baserails to match your newel choice. End caps and connectors in a sleek gun-metal finish complete the contemporary look.

## RAILS, CAPS & FITTINGS

Select a handrail and baserail finish to match your choice of newel. Ultra stylish fixings in Chrome or Brushed Nickel finishes connect everything together quickly and easily.

## SPINDLES & NEWELS

Decorative metal spindles in black or primed ready for you to paint in your own choice of colour. Install with Trademark White Oak or Classic White Oak newels.

## RAILS, CAPS & FITTINGS

Pre-drilled handrails and baserails make installation easy and are crafted from White Oak to match your newel choice. Easy-fit brackets come with White Oak covers for a perfect finish.

# MORE DESIGN AND STYLE OPTIONS AT [RICHARDBURBIDGE.COM](http://RICHARDBURBIDGE.COM)

Here's just a small selection from our huge range of component design options – just to give you a flavour. You can try out different collections and experiment with materials, designs and finishes using our FREE design tool **STAIRPLANNER™**. **When you're happy with your design you can print out a parts list - including an idea of how much they will cost.**

## TRADEMARK

More choice, more possibilities.

## HERITAGE

Timeless in style and lovingly crafted in luxurious White Oak.

## CLASSIC

Traditional in style with a hint of modern sophistication.

## SPINDLES & NEWELS

White Oak, Hemlock, Primed or Pine, with Trademark you really are spoilt for timber choice. You've lots of style choice too – from Imperial, Colonial and Georgian spindles and newels to plain, chamfered or fluted options.

## RAILS, CAPS & FITTINGS

Choose handrails and baserails to match your selected infill style and finish it off with your choice of newel cap or maybe an elegant volute if you've chosen an over-the-post system.

## SPINDLES & NEWELS

Choose from a vast range of spindle designs and newels – all featuring exceptional detailing and perfect proportions to create a unique and timeless feature staircase.

## RAILS, CAPS & FITTINGS

Heritage offers the ultimate in luxury and style, whether you want a sweeping grand staircase or a post-to-post system featuring newel posts with decorative caps.

## SPINDLES & NEWELS

Our range of elegant spindles and newels in White Oak will create a sophisticated feel and add refinement to your stairs. You've a choice of plain or fluted.

## RAILS, CAPS & FITTINGS

Choose an over-the-post handrail system with volutes, turns and easings for a sweeping handrail or a post-to-post system featuring our unique classic newel cap.

# MOULDINGS, LOUVRE DOORS & PINEBOARDS

Our collections of Decorative and Achitectoral Mouldings are of the highest quality and can add a design flourish or totally transform the look or character of a whole room.

Louvre Doors are perfect for kitchens, wardrobes – and anywhere around the home that needs a door. Supplied in pine and sanded to a fine finish - we've over forty sizes to choose from. Perfect for all DIY and construction projects our range of Pineboard allows you to be really creative. With over twenty different sizes there's sure to be a board just right for your project.

Discover our full mouldings collections at [richardburbridge.com](http://richardburbridge.com)
